

**POSITION VACANCY ANNOUNCEMENT
CITY OF SEGUIN
“An Affirmative Action/Equal Opportunity Employer”**

Water Maintenance Operator

1201

06/19/13

Maintains and operates the city's water treatment system in a safe, effective, and efficient manner. Technical expertise include operations of the water treatment plant, taking required water samples, maintaining facilities, equipment, monitoring equipment and gauges; recording data; performing routine testing; maintaining facilities grounds; cleaning and servicing equipment; detect and repair problems in equipment and request quotes from vendors for needed replacement parts.

Requirements: High school graduation, or its equivalent; four years of experience in the maintenance of pumps, equipment drive unit, welding, minor electrical repairs; or two years maintenance experience in combination with water utility operations experience which provides the required knowledge, skills, and abilities to perform duties; valid Texas driver's license; and ability to lawfully respond from residence within 30 minutes. Must obtain Class C Surface Water and Class C Groundwater Treatment Licenses from the Texas Commission of Environmental Quality within two years of employment. Works rotating shifts. Must be able to successfully complete pre-employment drug screen. Starting salary is \$15.20/hour. Position open until filled.
